WHAT MY PREVIOUS COUPLES SAY...

Stephanie (3rd October 2015)

Mike was great from the off, listened to what we wanted & really gave us great ideas. Met him at hotel prior to wedding to go through shots in the area too. Made everyone feel really relaxed on the day with his calm approach, would highly recommend Mike.

Kayleigh (31st December 2015)

Mike was an absolute pleasure to deal with. He made us feel so at ease and he just blended in with the crowd and we barely noticed him taking pictures at all, our guests have all been commenting on how friendly and professional he was.

David (8th April 2016)

The most amazing photographer and nicest guy I've ever met, thanks for making our wedding day.

Naomi (16th July 2016)

From the very second we started to communicate he's been fantastic. He put every one at ease. Very creative. Loved all the extra touches.

Michelle (16th April 2017)

From start to finish he was amazing put all of us at ease on the morning and made us all feel so comfortable he even got stuck in and put the button holes on the groomsmen he was so helpful in every way couldn't of asked for a better photographer and can't thank him enough such a gentleman and all round great guy thanks so much Mike.

Debra (28th July 2018)

We had the pleasure of having Mike photograph our wedding in July 18, and we couldn't recommend him highly enough!! He put us all at our ease on the morning of the wedding, and was so relaxed throughout the day, He is definitely not an in-your-face photographer, he blended into the background seamlessly which suited us as perfectly.

Elaine (28th August 2015)

I would be very particular about photos Mike was absolutely out of this world, takes natural shots, not stuck in your face like a lot of photographers, so genuine, made me feel so relaxed when he arrived that morning, everyone was commenting on the slideshow you put on

Mandy (15th December 2015)

All we can say is, Mike is the most professional but down to Earth guy you could have as a photographer. He made us feel so comfortable and without him our day would not have gone so smooth. 3 days later, we received a Christmas card in the post from Mike with 3 beautiful photos.

Pauline (28th July 2016)

Mike is a fantastic photographer he made us all feel so comfortable and relaxed and we had a great laugh all day Thank you for making our day that little bit more special

Ciara (18th May 2018)

We had Mike photograph our wedding on the 5th May 18, I couldn't recommend him enough!! He was so relaxed throughout the day which helped us all stay relaxed! The photos I've seen so far are amazing, cant wait for the rest!! Five stars just isn't enough

Paula (16th February 2019)

Mike was our wedding photographer in February. He went above and beyond his duties as a photographer, he was on hand to help our parents and members of the bridal party. My Mam will be forever grateful for your assistance in finding her broach which was a gift from my husband and I. Everyone we spoke to since our day has said what a gentleman Mike was. He put everyone at ease and was key to our wedding day being as successful and enjoyable as it was

Louise (29th October 2015)

I couldn't recommend Mike enough!! He's so professional and immediately put us at ease, Everyone involved in our wedding commented how good Mike was.....snapping away in the background continuously throughout the day.

Liam (6th November 2015)

Mike's a true professional from start to finish all his work is brilliant, you won't find a better wedding photographer.

Sarah (19th March 2016)

Mike is the most relaxed and un-invasive photographer. He put me at ease. He wasn't in my face for the entire time and took some fantastic natural photos. He presented a slideshow of the pictures that evening also.

Sharon (9th March 2017)

I would highly recommend Mike to all. He was brilliant from start to finish. He made us feel so relaxed on the day. He went to both houses the morning of the wedding which was great. Mike you went above and beyond Book Mike and you won't be disappointed

Kim (3rd August 2018)

We had Mike for our wedding on the 3-8-18 Mike was an absolute gent he made everybody feel at ease. He puts effort in to your day to capture every special pic. The slide show they look amazing

Emir (21st June 2019)

We chose Mike for a reason and that was because we loved his easy going nature, his ability to have great craic and make things natural and yet still do a top class job. He made some of our families more unenthusiastic photo subjects totally at ease and got some super shots of our bridal party as we wished. All in all we could not recommend Mike highly enough,
